RULES AND REGULATIONS LONG BEACH MARINAS

I. AUTHORITY

These regulations (“Marina Regulations”) are adopted pursuant to the provisions of Section 16.08.970 of the Long Beach Municipal Code in order to implement, make specific, and otherwise carry out the policy of maintaining the Long Beach marinas in a sanitary, sightly, and orderly condition and of preserving the public health, safety, peace, welfare, and convenience in the use thereof.

II. APPLICATION AND SCOPE

The Marina Regulations shall apply to the berthing of vessels and other activities and operations within the Long Beach marinas which include the Long Beach Marina Area [as defined in Section 16.08.110 of the Long Beach Municipal Code], the Marina Basins [as defined in Section 16.08.130 of the Long Beach Municipal Code], the Downtown Shoreline Marina [as defined in Section 16.08.090 of the Long Beach Municipal Code], the Shoreline Harbor Marina [as defined in Section 16.08.260 of the Long Beach Municipal Code] and other facilities, beaches and waterways under the jurisdiction of the City of Long Beach, excluding facilities and water areas within the Harbor District of the City of Long Beach. The Long Beach marinas are under the jurisdiction of the Marine Bureau of the Parks, Recreation and Marine Department which shall operate and control the same as a single marina.

III. MARINA SLIP PERMITS

Any permit issued by the Manager of the Marine Bureau (“Manager”) for the use and occupancy of a slip within the Long Beach marinas shall include by reference the following provisions and conditions:

A. Cancellation:

1. By City: The Manager may cancel and terminate any permit upon five (5) days’ written notice to the Permittee for Permittee’s failure or refusal to comply with (i) provisions of the permit, including, without limitation, nonpayment of slip fees, (ii) any provision of Chapter 16.08 of the Long Beach Municipal Code, (iii) the Marina Rules and Regulations, or (iv) for Permittee’s use of the Marina facilities which disturbs the peaceful use and occupancy or the public health, safety, peace, welfare and convenience of the users of Marine facilities or the public. Notice shall be deemed served within twenty-four (24) hours of the time said notice is deposited in the United States Postal Service, if mailed by first-class mail, postage prepaid, to Permittee’s address as designated on the permit. The notice shall specify the applicable provision of the permit, Municipal Code, Marina Regulations, or Marine Bureau policies with which Permittee has failed or refused to comply, the date and time on or before which Permittee is to

vacate the slip, and the cancellation date. Permittee shall be liable for all slip fees accruing prior to the date of cancellation.

2. By Permittee: If the Permittee wishes to cancel a permit, Permittee must deliver a written notice of cancellation to the Marine Bureau addressed to either: Long Beach Marine Bureau, 205 Marina Drive, Long Beach, California 90803 or Long Beach Marine Bureau, 450 East Shoreline Drive, Long Beach, California 90802.

The written notice must be received on or before the fifth day of the calendar month in which the cancellation is to be effective and any such cancellation shall be effective only upon the last day of that calendar month. A permittee's cancellation notice which is mailed with a payment of fees shall not be effective for the purpose of cancellation of a slip period. Such notices are not delivered to the Marine Bureau.

B. Removal of Vessel upon Cancellation of Permit: If Permittee shall fail or refuse to remove his or her vessel from a slip or end tie on or before the date of cancellation of his or her permit therefor, the Manager may order and cause the vessel to be removed and stored at the Permittee's risk and expense and retake possession of the slip. A Permittee shall reimburse the City for costs incurred in moving and storing a vessel in accordance with the schedule set forth in Section IV of these Marina Regulations. Neither the City nor any of its officers or employees shall be liable to and a Permittee waives all claims for damage to persons and property sustained by a Permittee resulting from the movement of his or her vessel pursuant to this provision.

C. Reassignment of Slips: The Manager shall have the right to temporarily reassign slip spaces and to move or cause to be moved any vessel so reassigned. A Permittee, by applying for and accepting the use of a slip, a mooring, or other berthing facility shall be deemed to have consented to the temporary reassignment and movement of his or her vessel to another slip, mooring, or other berthing facility (i) for the proper operation, maintenance, and repair of the Long Beach marinas, (ii) for the convenience of the City, (iii) for a special event, such as a boat show, and (iv) in case of an emergency. Permittee further consents to the movement of his or her vessel by City personnel if, after notice to move his or her vessel is given by the Manager, Permittee fails to comply with any such notice. A Permittee shall reimburse the City for costs incurred in relocating and moving his or her vessel to another slip, mooring or other berthing facility in accordance with the schedule set forth in Section IV of these Marina Regulations. Neither City nor any of its officers or employees shall be liable to and a Permittee waives all claims for damage to persons and property sustained by a Permittee resulting from the movement of his or her vessel.

D. Effective Date of Slip Assignments and Cancellations: Slip assignments are effective at noon on the first day of the month. Cancellations of permits are effective at noon on the last day of the month. Transfer of vessels from one slip to another shall be made at noon on the first day of the month.

E. Nontransferability of Permit: A Permittee shall not give, sell, sublease, assign, or transfer, or attempt to give, sell, sublease, assign, or transfer, whether voluntarily or involuntarily, the use of a designated slip, mooring, or other berthing facility, the permit therefor or any interest therein. Any agreement, whether oral or in writing, between Permittee and any other person, firm, or entity made in connection (i) with the use of a designated slip, mooring, or other berthing facility by a person other than the Permittee, (ii) with the use of a designated slip, mooring, or other berthing facility by a vessel other than one owned by the Permittee, (iii) with the transfer or ownership of or an interest in a vessel, or (iv) with a transfer of an interest in a corporation or partnership (general or limited) or joint venture owning a vessel, by which agreement Permittee attempts to give, sell, sublease, assign, or otherwise transfer the permit, an interest therein, or the right to use the designated slip shall be void and shall constitute grounds for cancellation of the permit.

In the event of the death of the Permittee, the permit may be transferred to the surviving spouse, upon transfer of title to the vessel to such person within a reasonable time after the Permittee's death.

F. Sale of Permittee's Vessel: A Permittee may retain his or her designated slip for a period of thirty (30) days after transferring title to or agreeing to sell his or her vessel provided:

1. Permittee shall notify the Marine Bureau in writing within five (5) days of the date Permittee enters into an agreement for the sale of the vessel and his or her intent to acquire another vessel appropriate length for occupancy of the slip.
2. Permittee shall pay slip fees equal to the amount specified in his or her permit for the vessel sold pending the acquisition of another vessel.
An extension of an additional period [but not to exceed sixty (60) days] may be granted by the Manager upon submission by Permittee of proof of a contract to purchase or construct another vessel. If Permittee does not acquire and accept delivery of another vessel of appropriate length of the assigned slip within the thirty (30) day period or any extension thereof, the permit shall be cancelled by the Manager. When the last day of the initial period or any extension thereof is on or prior to the fifth (5th) day of a month, the date of cancellation shall be effective the last day of that month. If the last day of the initial thirty (30) day period or any extension thereof falls after the fifth (5th) day of the month, the cancellation shall be deemed effective on the last day of the following month. Permittee shall remain liable to the City for all slip fees accruing prior to the date of cancellation.

Permittee shall notify the Marine Bureau in writing within five (5) days of any change of ownership in his or her vessel resulting from a gift, sale, lease, withdrawal, addition, or substitution of partners, the sale or transfer of stock in a closely held corporate owner of the vessel or a change of officers or directors of a closely held corporation owning the vessel.

G. Partnership/Corporations: No permit will be issued in the name of a partnership (general or limited), corporation, joint venture or other legal entity. A slip permit for a vessel which is registered, documented or owned by a partnership (general or limited), corporation, joint venture or other legal entity will be issued only to a natural person whose name appears on the marina waiting list and whose interest in the vessel (whether by virtue of an interest in the partnership, ownership of stock of a corporation or otherwise) is equal to or greater than that of each of the other partners, stockholders, members or associates. An applicant for a slip permit at a Long Beach marina for a vessel which is owned by a partnership (general or limited), a corporation, joint venture, or other legal entity shall submit for approval by the Manager, a fully executed Marine Bureau Statement Ownership. Any gift, sale, assignment or transfer of (i) the applicant's interest in the vessel (ii) his or her interest in the partnership, corporation or other legal entity by which the named permittee transfers or attempts to transfer the right to use the assigned slip to another person or persons (including remaining partners and/or stockholders) or to another partnership, corporation or other legal entity shall be void and shall constitute grounds for cancellation of the permit. Notwithstanding the form of ownership of the vessel, the permit to berth the same at a Long Beach marina shall not be transferable under any circumstances. If a permittee fails or refuses to notify the Manager of a change to any of the information contained in the Marine Bureau Statement of Ownership within five (5) days from the date of any such change, such failure or refusal shall also constitute grounds for cancellation of the permit.

H. Vessels as Place of Abode: All persons desiring to live aboard vessels berthed or moored within the water areas of the City of Long Beach (excluding the water areas within the Harbor District) shall obtain a live aboard permit from the Manager. Person shall be deemed to be living aboard a vessel if he or she occupies or allows others to occupy the vessel and engages in those usual and customary activities associated with a person's residence abode, such as sleeping, preparation of meals, etc., for any period in excess of twelve (12) days in a calendar month. The Manager may cancel any permit issued by the Marine Bureau if any person lives aboard a vessel without obtaining a permit therefor. Such permits shall be subject to the following conditions and limitations:

1. Within the water areas within the limits of the City of Long Beach (excluding the Harbor District), the number of live aboard permits for each gangway shall be determined by the Manager.
2. The Permittee must provide his or her own source of energy for cooking and space heating.
3. The overall length of the vessel for which permission to live aboard is sought must be over twenty-five (25) feet.
4. Regardless of the length of occupancy, no person living aboard a vessel shall use the toilet facilities aboard such vessel, unless the vessel has an approved holding tank. The Manager may order that Permittees granted live aboard privileges post notices and seal the toilet facilities and place dye tablets in holding tanks.

5. The Manager or his designee shall have the right to make periodic inspections of the vessel to determine compliance with these conditions and the seaworthiness of the vessel. By reserving the right to make inspections, the City does not intend to assume, nor shall that right be construed to impose, any liability for claims for damages to persons or property resulting from a failure to make any such inspection.

6. Any Permittee granted permission to use a vessel as a place of abode who is subsequently granted leave of absence status (as defined in Paragraphs I and/or J) shall lose live aboard status.

7. The prohibition against living aboard a vessel except pursuant to a permit issued by the Manager shall not apply to privately owned and operated marinas unless such marinas are situated upon granted tidal or submerged lands.

8. Persons granted live aboard status must utilize the privilege throughout the year. If not so used, the privilege may be revoked by the Manager.

9. Each person issued a permit for live aboard status, shall annually complete and file with the Manager, a live aboard certification on a form provided by the Manager.

10. Live aboard status is granted only for the slip assigned to the Permittee at the time of the grant. Live aboard status will not be transferred to another slip location unless approved by the Manager.

I. Absence from Slips for Periods of Less than Six (6) Months: A Permittee's vessel may be absent from its assigned slip for a period up to six (6) consecutive months without having to request a leave of absence; provided, however, that the Permittee shall have used and occupied the assigned slip with the vessel under permit for the preceding six (6) month period. In the event of non-use of a slip for any reason for a period in excess of a total of six (6) months within any twelve (12) month period, and the Permittee fails to request and obtain leave of absence status, the Manager may cancel the permit. Any Permittee whose slip permit is so cancelled shall be required to reapply for a permit and will be placed on a slip waiting list upon payment of a marina waiting list administrative fee (as provided in Section IV.N.). All slip fees and live aboard fees, if applicable, shall be paid when due during any absence.

J. Absence from Slips for Periods in Excess of Six (6) Months: A Permittee who intends to be away from the marina in which his or her slip is located for any reason for a period in excess of six (6) months shall be entitled to leave of absence status on the following conditions:

1. To be eligible for leave of absence status, the Permittee must have owned the vessel under permit and used and occupied a slip space within the marina continuously for a period of six (6) months prior to requesting a leave of absence.

2. The maximum period of time for which leave of absence status will be granted is thirty-six (36) months. A Permittee may request leave of absence status for a shorter period but never less than six (6) months regardless of the actual period away from the marina. Leave of absence status for periods of six (6) months or increments thereof will be granted up to a maximum of thirty-six (36) months.

3. The Permittee shall pay to the Marine Bureau an administrative fee as provided in Section IV.CC, for each six (6) month period for which leave of absence status is requested and granted. The fee shall be paid in advance of the commencement date of leave of absence status for the period requested. Permittee shall be solely responsible for payment of the fee in advance in the event he or she elects to extend the leave of absence status for additional periods. No portion of the administrative fee paid shall be refundable if the Permittee requests a slip prior to the expiration of the leave of absence period.

Failure to pay the fee when due shall result in a termination of leave of absence status and removal of Permittee's name from the Leave of Absence list.

4. Upon request for and grant of leave of absence status, the Permittee's slip permit shall be cancelled effective as of the commencement date of the leave of absence status. Permittee's name shall be placed on the Leave of Absence List maintained by the Marine Bureau. Prior to expiration of leave of absence status or upon earlier return to the Long Beach marinas and receipt by the Marine Bureau of a written request for a slip space in a marina, the former Permittee shall be entitled to the next available slip space based on the former Permittee's original waiting list date, the size of slip requested, and the date of receipt of the written request for a slip space. The Marine Bureau shall not be required to make a slip available pending the availability and assignment of a slip in accordance with the provisions of this paragraph.

5. Any person granted leave of absence status shall be solely responsible for notifying the Marine Bureau of his or her current mailing address and telephone number and any changes thereof. The Marine Bureau shall not be required to confirm any information so provided nor to contact the former Permittee for any reason while he or she is on leave of absence status.

6. Upon notification by the Marine Bureau of the availability of a slip of the size requested, the former Permittee on leave of absence status, to be eligible therefor, must own a vessel of the appropriate size and accept the first slip offered. If the offered slip is not accepted within seven (7) days from the date of notification of availability by execution of a permit therefor, the former Permittee's name shall be removed from the Leave of Absence List. If the former Permittee desires a slip within the Long Beach marinas, he may reapply for a slip and will be placed on a slip waiting list upon payment of a marina waiting list administrative fee (as provided in Section IV.N.).

K. Change of Slip Fee Rates/Deposits: Within thirty (30) days after notice from the Marine Bureau of a change of slip rate fees, a Permittee shall deposit with the Marine

Bureau such additional sums as may be required to maintain the amount deposited with the Marine Bureau equal to one month's slip fee.

L. Deposits: Any sum deposited with the Marine Bureau pursuant to a permit issued by the Manager shall be deemed a security deposit for the performance by a Permittee of the provisions of the permit. The security deposit, or any portion of it, may be used to cure a default, to compensate the City of Long Beach for all damage sustained by the City resulting from Permittee's default or to be applied toward the last month's slip fees upon cancellation of the permit. Permittee shall immediately on demand pay to the Marine Bureau a sum equal to the portion of the security deposit expended or applied. The City's obligation with respect to the security deposit are those of a debtor and not a trustee. The City shall not be required to pay interest on a security deposit.

M. Commercial Use of Slips:

No slip or dock structure within the Long Beach marinas shall be used for commercial purposes unless the slip has been designated by the Manager as a commercial float. "Commercial purposes" shall include, but not be limited to, any activity involving the use of a Permittee's vessel by the Permittee or any other person, firm, or entity for which use the Permittee receives cash, credit, or any other form of valuable consideration. The following described facilities have been designated as commercial floats:

1. The north guest dock and the west guest dock located within Shoreline Harbor Marina.
2. Sixty-five (65) slips within Shoreline Harbor Marina, as determined by the Manager.
3. Three (3) end ties (SHM-1, SHM-2 and SHM-3) in Shoreline Harbor Marina.
4. Long dock structures in Alamitos Bay.
5. Twenty-one (21) slips and three (3) end ties within Alamitos Bay, as determined by the Manager

No person shall use a commercial float without first obtaining a permit from the Manager or be operating under a contract or permit authorized by the City Council pursuant to Long Beach Municipal Code Chapter 5.76 which contract or permit shall be upon such terms, conditions, and limitations as the City Council or the Manager deem necessary to assure safety navigation, preserve and protect public health, safety and welfare and promote the public convenience and necessity.

N. Taxes: In the event of Los Angeles County Tax Assessor shall determine that any permit issued by the Manager for berthing or mooring of vessels creates a possessory interest subject to property taxes, the Permittee shall pay any such tax prior to delinquency. The situs, for personal property tax purposes, of any vessel under permit shall be the marina in the City of Long Beach for which a permit is issued.

O. Waiver of Claims: Neither the City of Long Beach nor any of its officers, employees, or contractors shall be liable to a Permittee for any damage to person or property resulting from oil operations conducted on Oil Island Grissom. Permittees of Shoreline Harbor Marina further understand and agree that the environment of that marina is busier, noisier, and subject to collection of debris from the Los Angeles River runoff. All vessels and property belonging to a Permittee located at a Long Beach marina shall be there at the risk of Permittee and neither the City of Long Beach nor its officers or employees shall be liable for damage thereto nor theft or misappropriation thereof.

P. Temporary Slip Permit: In addition to the powers vested in the Manager under Section 16.08.950 of the Long Beach Municipal Code, the Manager may issue temporary slip permits for assigned but vacant slips or end ties and for unassigned slips or end ties upon such terms and conditions as may be required for the efficient operation of the Long Beach marinas.

Q. Ownership of Vessels: No permit for a slip within the Long Beach marinas shall be issued unless the applicant therefor shall establish to the satisfaction of the Manager that the applicant is the owner of a vessel which is to be berthed at the slip. Evidence of ownership shall be in the form of a certificate issued by the California Department of Motor Vehicles showing the applicant as the legal and registered or registered owner or ship's documents issued by the U.S. Department of Transportation showing applicant's interest in the vessel. Applicant must have the exclusive right of possession and beneficial use and enjoyment of the vessel.

At the request of the Marine Bureau, an applicant shall submit such documentation as the Marine Bureau may require to determine the nature and extent of the applicant's interest in the vessel. In addition, the applicant shall declare under penalty of perjury that the facts, documents, and other information submitted to establish ownership of a vessel are true and correct and reaffirm such declarations from time to time at the request of the Marine Bureau.

R. Visiting Vessels: Visiting vessels will be issued end tie slip permits for a maximum period of fifteen (15) days per month. No extensions will be granted nor shall a visiting vessel be entitled to an assignment to a different slip within Long Beach marinas, unless authorized by the Manager.

IV. GENERAL REGULATIONS

The following regulations shall apply to the use of the water areas and the facilities and improvements situated within the Long Beach marinas:

A. Storage on Docks and Fingers: Nothing shall be stored on the docks and fingers except in locker boxes provided at each slip. Storage in each locker box shall not exceed two hundred (200) pounds.

B. Steps: Any steps used for ingress to and egress from a vessel shall not be wider than one-half (1/2) of the width of the finger to which the vessel is moored. The steps must be of light weight construction and not used as a storage locker.

C. Rowboat or Yacht Tender: One rowboat or yacht tender owned by a Permittee and regularly to be carried aboard a Permittee's vessel, when not aboard the Permittee's vessel, may be kept in the water at the end of the Permittee's slip, if such location conforms to the Bureau's policy governing length of vessels in slips or at such other location as may be designated by the Manager; provided, however, a permit for the mooring or berthing of a rowboat or a yacht tender shall be obtained from the Marine Bureau. A rowboat or yacht tender shall not be placed or left on the dock, finger or locker box except for short periods of time for the purpose of performing minor repairs.

No rowboat or yacht tender shall be placed in such a manner so as to obstruct free passage along the finger.

D. Fenders, Dock Wheels and Telephone Lines: No Permittee shall install fender material, dock wheels, carpet or telephone lines on fingers or gangways. Additional fenders of material as now installed, approved dock wheels or telephone line may be purchased by the Permittee provided that Marine Bureau employees only shall install such fenders, dock wheels or telephone lines. Upon installation, title to said fender, dock wheels or telephone lines shall vest in the City of Long Beach.

E. Dogs: Dogs must be kept on leash in all public areas in the marinas. Permittees and their guests are required to closely supervise their animals on these premises, and particularly on the ramps, docks and fingers, and pick up the waste in the interests of public safety and sanitation. All pets are prohibited in the boatowner and public rest rooms and showers.

F. Swimming: Swimming is not permitted in any of the Long Beach marinas.

G. Fishing: No person shall fish from the walls, docks, or fingers of the Long Beach marinas. Fishing is permitted only from fishing piers or vessels berthed at slips.

H. Vessel Maintenance: Major repair or reconstruction work shall not be performed in or at any marina slip or in Alamitos Bay or other water areas within the limits of the City of Long Beach. Except for emergency repairs to keep a vessel afloat, no repair or other work on a vessel shall be performed before 8 a.m. nor after sunset. Permittees shall not place or permit others performing repairs or other work on a vessel to place tools or equipment in a manner so as to obstruct access to fingers or docks. Permittees may use portions of the docks or fingers for minor rigging and maintenance for short periods of time; provided, however, such space must be kept in a neat, clean, and orderly condition and a drop cloth and boat bath are used during maintenance periods. No material of any type resulting from maintenance work shall be allowed to become airborne, or enter the waters of the Long Beach marinas. (This includes but is not limited to sanding of paint and fiberglass and spray painting.)

I. Small Children on Docks: Children under ten years are not permitted on the docks and fingers without the immediate presence of their parents or other responsible adults.

J. Visitors: Visitors, unless accompanied by a Permittee shall not be permitted on the docks after sunset.

K. Signs: No person shall place, erect, or maintain any sign, display, or notice on any property (including water areas), structure, or improvement within the Long Beach marinas owned, operated, or controlled by the City without the prior written consent of the Manager. Any such sign, display, or notice may be removed or caused to be removed by the Manager at the expense of the person placing, erecting, or maintaining the same. A Permittee may place one (1) sign on the exterior of a vessel/vehicle under permit advertising the sale or offering for sale or said vessel/vehicle; provided, however, the size of any such sign shall not exceed nine inches (9") by twelve inches (12") and the lettering thereon shall not exceed four inches (4") in height; provided, further that the sign shall be displayed only from sunrise on Saturday through sunset on the following Sunday [two (2) days]. The Manager may direct the removal of any nonconforming or unauthorized sign, display, or notice. In the event the Permittee refuses to remove the sign, display, or notice as directed, such refusal shall constitute grounds for cancellation of the slip permit.

L. Bicycles and Motorcycles: No person shall roller skate, skateboard, ride bicycles or motorcycles on the docks and gangways within the Long Beach marinas.

M. Parking Lots:

1. No person shall discharge waste material from, store or sleep or cook in a house trailer, boat trailer, camper, or other vehicle while such vehicle is in a parking space within the parking lots or facilities adjacent to the Long Beach marinas.

2. No vehicle or apparatus capable of being registered as a vehicle or trailer shall block the parking lanes in the Long Beach marinas.

3. No vehicle in excess of twenty (20) feet in overall length may occupy any parking space within the parking lots adjacent to the Downtown Shoreline Marina without the permission of the Manager or his designee. No vehicle in excess of twenty-four (24) feet in overall length may occupy any parking space within the parking lots adjacent to the Alamitos Bay Marina.

4. No person shall remain, stay, or loiter in any marina parking lot between the hours of sunset and 5 a.m.

5. To facilitate the sweeping and cleaning of the marina parking lots, certain sections may be posted with restricted parking times. Failure to observe the posted restrictions will result in the issuance of parking citations.

6. Permittees may not construct or reconstruct or cause to be constructed or reconstructed, repair or cause to be repaired, to grease or cause to be greased any vehicle or vessel or any part thereof within the parking lots of the marinas. However, temporary minor repairs in case of emergency may be made within the parking lots to enable the vehicle to be moved to a proper place for mechanical work.

7. The parking of Recreational Vehicles (R.V.'s) and vehicles of extended length will be limited to designated areas within the Alamitos Bay Marina. Vehicles will be required to obtain a temporary parking permit from the Manager. Time limit for parking within the designated area will be 72 hours unless special authorization is granted by the Manager.

8. The washing of any vehicle, vessel, trailer or apparatus capable of being registered as a vehicle or trailer is prohibited in the parking lots of the Long Beach Marinas. This includes commercial vehicle detailing.

9. Waste Underground Oil Tanks- No person shall place any substance in underground waste oil tanks other than waste motor oil.

10. Inoperable trailers (including those with flat tires) are not allowed in the marina parking lots and must be removed within 72 hours of being posted for removal. Failure to remove a trailer will result in the impound of the trailer at a cost to the owner.

N. Movement of Vessels: Movement of vessels within the Long Beach marinas shall be for the purpose of entering or leaving a slip only.

O. Unseaworthy Vessels: Permittees shall, upon request, demonstrate or allow inspection by Marine Bureau employees of vessels under permit for seaworthiness. Seaworthiness will be determined by, but not limited to the following:

- Vessel shall operate under its own power.
- Vessel shall have an operable electrical system.
- Vessel shall not be in a state of deterioration.
- Vessel shall be water tight (minimal amount of water in bilge.)
- Vessel shall be navigable.

Any vessel determined to be unseaworthy shall be posted with a notice to repair or remove from the slip space. A copy of said notice shall be mailed to the slip permittee. If the permittee fails or refuses to repair or remove the vessel within 30 days of the posting and mailing of notice to the permittee, the Manager may cancel the slip permit and move or cause to be removed and impounded such vessel at the Permittee's expense.

P. Leaving and Entering Downtown Shoreline Marina: Vessels leaving the Downtown Shoreline Marina shall exit to the east side of the breakwater in front of marina entrance. Entering vessels shall enter the Downtown Shoreline Marina from the west side of the breakwater.

Q. No Sailing or Cruising within Downtown Shoreline Marina or Shoreline Harbor Marina: The Downtown Shoreline Marina and the Shoreline Harbor Marina shall be entered only for the purpose of berthing vessels and for embarking and disembarking passengers from commercial floats.

R. Length of Vessels: For the purpose of determining the applicable fee payable under these regulations, the overall length of vessels (LOA) shall mean the length of the vessel rounded upward to the next whole foot including all permanent and functional overhangs but excluding outboard engines and out drives. Modifications to vessels affecting the LOA of a vessel shall be reported to the Marine Bureau in writing within five (5) days of making the modification. Any modification which results in an increase or decrease of the LOA of a vessel in excess of or less than permitted size of vessel for slip will be grounds for cancellation of the slip permit.

S. No Permittee shall install in or upon, nail to, modify or make any additions or changes to the City dock structures in the Long Beach Marinas. Any materials or structures attached to or located on the dock will be removed and repairs made all at the permittees sole cost and expense.

T. The use of Hydro hoists supported/stabilized by attachment to the gangway or finger, or any apparatus supported/stabilized by attachment to the gangway or the finger capable of lifting a vessel from the water within the slips of the marinas is prohibited. Other non-stabilized/supported lifting apparatus must have prior approval from the Manager.

U. Cooking or barbecuing on the dock is prohibited unless the cooking unit is elevated a minimum of nine (9) inches from any dock structure or surface (dock boxes included).

V. Permittees will notify the Marine Bureau office in writing of any change of address or telephone number. The Bureau will not be responsible for lost or misdirected mail due to incorrect information.

W. Automatic Water Shut off Nozzles- Permittees shall obtain an automatic shut off type nozzle for the dock side water supply.

X. Only boatowners, their guests and authorized personnel are allowed in the boatowner rest rooms and showers.

Y. No person aboard a vessel in the Long Beach marina shall use the toilet facilities aboard such vessel, unless the vessel has an approved holding tank. The Manager may order that Permittees post notices and seal the toilet facilities and place dye tablets in holding tanks.

V. LAWS, ORDINANCES, RULES AND REGULATIONS ENFORCEABLE BY DESIGNATED MARINE BUREAU EMPLOYEES

**PLEASE NOTE THE FOLLOWING RULES CHANGES TO YOUR CURRENT RULES
BOOK AND FEES, RATES AND CHARGES**

Page 1 Section II

Application and Scope: The Marina Regulations shall apply to the berthing of vessels and other activities and operations within the Long Beach marinas which include the Long Beach Marina Area [as defined in Section 16.08.110 of the Long Beach Municipal Code], the Marina Basins [as defined in Section 16.08.130 of the Long Beach Municipal Code], the Downtown Shoreline Marina [as defined in Section 16.08.130 of the Long Beach Municipal Code] and other facilities, beaches and waterways under the jurisdiction of the City of Long Beach, excluding facilities and water areas within the Harbor District of the City of Long Beach. The Long Beach marinas are under the jurisdiction of the Marine Bureau of the Parks, Recreation and Marine Department, which shall operate and control the same.

Pages 2 and 3 Section III.C

Reassignment of Slips: The Manager shall have the right to temporarily or permanently reassign slip spaces and to move or cause to be moved any vessel so reassigned. A Permittee, by applying for and accepting the use of a slip, a mooring, or other berthing facility shall be deemed to have consented to the reassignment and movement of his or her vessel to another slip, mooring, or other berthing facility (i) for the proper operation, maintenance, and repair of the Long Beach marinas, (ii) for the convenience of the City, (iii) for a special event, such as a boat show, (iv) in case of an emergency or (v) for the general betterment of the marina. Permittee further consents to the movement of his or her vessel by City personnel if, after notice to move his or her vessel is given by the Manager, Permittee fails to comply with any such notice. A Permittee shall reimburse the City for costs incurred in relocating and moving his or her vessel to another slip, mooring or other berthing facility in accordance with the schedule set forth in Section IV of these Marina Regulations. Neither City nor any of its officers or employees shall be liable to and a Permittee waives all claims for damage to persons and property sustained by a Permittee resulting from the movement of his or her vessel.

Pages 4 and 5 Section III.G.

Partnership/Corporations: No permit will be issued in the name of a partnership (general or limited), corporation, joint venture or other legal entity. A slip permit for a vessel which is registered, documented or owned by a partnership (general or limited), corporation, joint venture or other legal entity will be issued only to a natural person whose name appears on the marina waiting list and whose interest in the vessel (whether by virtue of an interest in the partnership, ownership of stock of a corporation or otherwise) is equal to or greater than that of each of the other partners, stockholders, members or associates. An applicant for a slip permit at a Long Beach marina for a vessel which is owned by a partnership (general or limited), a corporation, joint venture, or other legal entity shall submit for approval by the Manager, a fully executed Marine Bureau Statement of Ownership. Any gift, sale, assignment or transfer of (i) the applicant's interest in the vessel (ii) his or her interest in the partnership, corporation or other legal entity by which the named Permittee transfers or attempts to transfer the right to use the assigned slip to another person or persons, (including remaining partners and/or stockholders) or to another partnership, corporation or other legal entity shall be void and shall constitute grounds for cancellation of the permit. The only exception to this rule relates to partnerships. When a partnership applies for a permit, one partner must be designated as the permittee for legal purposes. Upon execution of the permit, a list of partners will be incorporated with the permit. Under this exception, the permit may be transferred to any of the original partners, if requested by the existing permittee, and with appropriate notification and permit changes through the Marine Bureau. The remaining original partner(s) may enter into new partnerships, but the seniority relating to the existing slip will only vest with the original partners. If there are no initial partners, the permit will become void. Existing partnerships will not be grandfathered, and must contact Marine Bureau to incorporate a partnership list for purposes of this exception, and rights to the slip will revert back to effective date of the adoption of this rule or the incorporation of the partnership list, whichever is later. Notwithstanding the form of ownership of the vessel, the permit to berth the same at a Long Beach marina shall not be transferable under any circumstances, except as allowed herein. If a permittee fails or refuses to notify the Manager of a change to any of the information contained in the Marine Bureau Statement to Ownership within five (5) days from the date of any such change, such failure or refusal shall also constitute grounds for cancellation of the permit.

Page 5 Section III.H.5

The Manager or his designee shall have the right to make periodic inspections of the vessel to determine compliance with these conditions and the seaworthiness and sanitary conditions of the vessel. By reserving the right to make inspections, the City does not assume, nor shall that right be construed to impose, any liability for claims for damages to persons or property resulting from a failure to make any such inspections.

Page 6 Section III.H.9

Live aboard status will be granted only to a current permittee. No person or animal is allowed to live aboard unless the permittee is also living aboard the vessel under a valid live aboard permit.

Page 8 Section III.L

Deposits: Any sum deposited with the Marine Bureau pursuant to a permit issued by the Manager shall be deemed a security deposit for the performance by a Permittee of the provisions of the permit. The security deposit, or any portion of it, may be used to cure a default or to compensate the City of Long Beach for all damage sustained by the City resulting from a Permittee's default. Security deposit cannot be used for the last month's slip fees. Permittee shall immediately on demand pay to the Marine Bureau a sum equal to the portion of the security deposit expended or applied. The City's obligation with respect to the security deposit are those of a debtor and not a trustee. The City shall not be required to pay interest on a security deposit.

Section III.M

Commercial Use of Slips: No slip or dock structure within the Long Beach marinas shall be used for commercial purposes unless the slip has been designated by the Manager as a commercial float. "Commercial purposes" shall include, but not be limited to, any activity involving the use of a Permittee's vessel by the Permittee or any other person, firm, or entity for which use the Permittee receives cash, credit, or any other form of valuable consideration.

Page 9 Section III.O

Waiver of Claims: Neither the City of Long Beach nor any of its officers, employees, or contractors shall be liable to a Permittee for any damage to person or property resulting from oil operations conducted on Oil Island Grissom. All vessels and property belonging to a Permittee located at a Long Beach marina shall be there at the risk of Permittee and neither the City of Long Beach nor its officers or employees shall be liable for damage thereto not theft or misappropriation thereof.

Page 10 Section III.R

Visiting Vessels: Visiting vessels will be issued end tie slip or guest slip permits for a maximum period of fifteen (15) days per month. No extensions will be granted nor shall a visiting vessel be entitled to an assignment to a different slip within Long Beach marinas, unless authorized by the Manager.

Page 12 Section IV.L

Bicycles and Motorcycles: No person shall roller skate, skateboard, ride bicycles or motorcycles on the docks and gangways within the Long Beach marinas, with the exception of City of Long Beach employees in the normal course of their duties.

Page 12 and 13 Section IV.M

3. No vehicle in excess of twenty (20) feet in overall length may occupy any parking space within the parking lots adjacent to the Downtown Shoreline Marina or in the parking lot adjacent to Basin 4 in the Alamitos Bay Marina without the permission of the Manager or his designee. No vehicle in excess of twenty-four (24) feet in overall length may occupy any parking space within the parking lots adjacent to Alamitos Bay Marina, with the exception of Basin 4 described herein.
7. The parking of Recreational Vehicles (R.V.'s) and vehicles of extended length will be limited to designated areas within the Alamitos Bay Marina. Vehicles will be required to obtain a parking permit from the Manager. All recreational vehicles in the designated area must be moved the first and third Thursday of each month for street sweeping.
10. Trailers and inoperable vehicles are not allowed in the marina parking lots. Failure to remove a trailer or inoperable vehicle will result in the impound of the trailer or inoperable vehicle at a cost to the owner.

Page 14

Section IV.P

Leaving and Entering Marina: Vessels entering and leaving the marina will abide by all rules of navigation and posted speed limits.

Section IV.Q

No Sailing or Cruising within Downtown Shoreline Marina: The Downtown Shoreline Marina shall be entered only for the purpose of berthing vessels and for embarking and disembarking passengers from commercial floats.

Page 15 Section IV.Z

Fueling in the marina must be accomplished using a container manufactured for fueling purposes, which is no larger than six (6) gallons.
